**Theme for 2007/2008** > enhancing partnerships

### **Goals for 2007/2008**

#### 1. Connecting with parents through PACs

- Out-reach program with parents & PACs:
  - improvement in function of School Planning Councils (SPCs); reaching grass roots re: PACs and SPCs
  - Mentoring and succession planning.
  - Zone reps will take on a more active role with the PACs
  - First few months will be info gathering to learn about PAC issues, parent issues, parent education needs etc. An action plan will be developed and implemented after that. There will be more networking opportunities with GMs – via emails, websites & zone gatherings.
- 'Council Briefs' that will be sent out within a couple of days of a General Meeting
- Suggested PACs add DPAC link onto their PAC website

#### 2. Enhancing relationships (connections) with Partner groups

- Regular communication will be sent out to Partner Groups to keep them informed about DPAC's activities.
- Invite Partner Groups to DPAC GMs.
